

## Overview

RSC Business Worx™ is designed to help new entrepreneurs and small business owners to grow their business and generate more revenues.

At RSC Business Group, we are a commitment that all businesses, regardless of size, are able to benefit from our programs. While resources may vary from business to business, we say that the opportunity for advancement should be available for everyone.

This program allows you, the business owner, to experience the value of Business Coaching and get a grasp of the Business Coaching model while taking you and your company to the next level.

This 6 month webinar is designed for individuals who are interested in developing strong business plans and increasing customer base. You will join other entrepreneurial individuals and learn the terminology and practice of basic business development. In each session, you will be introduced to a new topic and receive training in the area that matters to you the most.

Whether you are simply interested in generating a part time income, starting a full time business or building your current business, this will help you clarify your goals while building a stable foundation in your personal and financial life.

## This Webinar is ideal for:

- Small business owners who want to grow
- Self employed professionals who work alone or with limited support
- Working professionals who want to start a part-time business
- New entrepreneurs

## Areas of business covered:

Marketing

Administration

Sales

Research & Development

Finance
